**Exclusive for Chinati Members**

The Chinati Foundation is pleased to offer its newest membership benefit—a stunning print by artist Kate Shepherd—to renewing \$1,000 members and new members who join at that level. Shepherd’s print, entitled *Circling Around Yellow, Bigmouth*, was printed by Axelle Editions, NY in an edition of 100. While the general format or “scheme” of the print never changes over the course of the 100 impressions, Shepherd has used subtle variations in composition, hue, tone, and ink density to make each print unique.

Shepherd is a New York-based painter who has been exhibiting nationally and internationally since the mid-1990s. She was an artist in residence at Chinati in 1995 and at the Lannan Foundation in 1999. Shepherd’s work is represented in the public collections of the Albright-Knox Art Gallery, Buffalo; Bibliothèque Nationale, Paris; Los Angeles County Museum of Art; Museum of Fine Arts, Boston; the New York Public Library and many others.
